The Retention Order authorized Dechert to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

2. All services for which compensation is requested by Dechert were performed for or on behalf of the Debtors.

To the extent such itemization is insufficient to satisfy the requirements of Rule 2016-1(a) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”), Dechert respectfully requests that the Court waive strict compliance with such rule.

7. Costs incurred for computer assisted research are not included in Dechert’s normal hourly billing rates and, therefore, are itemized and included in Dechert’s disbursements. 10. Dechert believes that the time entries included in **Exhibit A** attached hereto and the expense breakdown set forth in **Exhibit B** attached hereto are in compliance with the requirements of Local Rule 2016-1.

11. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given (a) the complexity of this case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.
